## ABOUT CSC

Chaleun Sekong Group Limited was established and first registered in 2009 as Chaleun Sekong Construction Co., Ltd and has an investment company of the integrated construction and road-construction group of companies. Later in 2011, it changed its name to the current one, Chaleun Sekong Group Co., Ltd.

CSC Complex Center Sole Co., LTD is a member of the Chaluen Sekong Group (CSG) that operates a business distributing construction materials, tools & equipment, and home and building decorations, offering a full range from basic construction materials to modern interior finishings. The company was established in 2014 in Pakse Capital, Champasak Province, and officially launched in 2016 with the goal of becoming a comprehensive center for construction materials based on modern trade concepts (modern trade). CSC imports reputable products at reasonable prices from both domestic and international suppliers. The products are sourced from various certified manufacturers around the world to meet the demands of customers across the Lao PDR in order to be in line with the company's slogan:

"Kingdom of building materials of the Lao people, Gather love. Completed, Cheapest "

# Internal Opportunity for the Employee

Human capital is the cornerstone of organizational success. At CSC Complex Center Sole Co., Ltd., we place the highest priority on enhancing the knowledge and capabilities of our employees, actively supporting their continuous professional growth. At the same time, we are dedicated to optimizing the work environment to maximize efficiency and promote a positive, productive atmosphere. We also champion open communication and encourage widespread staff involvement to surface and integrate outstanding ideas that will help shape the company's future culture.

1. Commit to ongoing investment in human resource development to strengthen employee skills and drive organizational growth.
2. Promote in-depth employee understanding of organizational functions to enhance internal systems and operational efficiency.
3. Implement a consistent and sustainable employee training program to ensure long-term capability building across all levels.

**2024 Training Program on Effective Workplace Communication and Professional Development**

**2025 Training Program on the Use of Excel Pivot Tables**

## Social Participation

**CSC generously provided educational supplies to the children of its employees, demonstrating a strong commitment to supporting staff well-being and investing in future generations.**

**CSC partnered with the Lao Red Cross to organize a voluntary blood donation campaign, reflecting the company's commitment to community welfare and humanitarian causes.**

**CSC extended humanitarian assistance to flood victims, underscoring the company's commitment to community support and disaster relief efforts**

## 10th Anniversary Celebration of CSC Complex Center Sole Co., Ltd

CSC Complex Center Sole Co., Ltd. is delighted to announce that 2026 will mark our 10th year of operation. To honor this meaningful milestone, we are preparing a special 10th Anniversary Celebration featuring a series of exclusive activities. These initiatives are designed to:

- Sincerely thanks to our valued customers and partners for their continued trust and support.
- Commemorate a decade of accomplishments while spotlighting CSC's strategic vision for future growth.

## **Business Opportunities for new partnerships**

**CSC Complex Center Sole Co., Ltd. is proud to be recognized as a leading retail enterprise in the nation, specializing in the comprehensive distribution of construction materials, professional-grade tools and equipment, as well as modern home and architectural finishes. With a strong commitment to quality and service excellence, we are actively seeking strategic partnerships with both domestic and international businesses to drive mutual growth and innovation across our industry.**
